Years at residence: 7

Qualifications: I am the mother of four children, two who are graduates of TCSD and two attend SHS.

Active volunteer in schools working with PTA's, community councils and various organizations for the past 14 years, with a vested interest in public education and desire to serve our community.

Experience and knowledge I have learned through board member trainings and leadership conferences that I have attended to better serve you. My commitment is to provide quality instruction in a safe school environment. We need to work together as partners with parents and the community for education.

Good working relationship and mutual respect for our partners in education including school administrators, staff, city and county officials.

Current board member of the Tooele Applied Technology College.

Member of Tooele County Alliance for Education, Employment and Economic Development Committee.

Small business owner with strong business background, and good communication skills needed. Approachable, even tempered and compassionate.

Dedication to the time needed to represent our district and community to visit schools, serve on committees and other responsibilities of board members.

Understanding of school budgets and that we need to use due diligence with your tax dollars to provide the best education we can for our future.
